Company: Michael Page

Location: Indonesia

Category: other-general

About Our Client Our client is a leading developer and manufacturer of premium luxury and lifestyle wear. A trusted partner to many of the world's most sought-after and prestigious brands, it offers a unique proposition of unparalleled craftsmanship, production flexibility, and strong speed-to-market and commercialization capabilities. They are looking for an Environmental Sustainability Specialist for the manufacturing operations in Indonesia. Location: Solo or Surabaya, Indonesia

Job Description This role: Overseeing the Environmental domain to ensure seamless integration of sustainability initiatives within the strategic sustainability framework. Conducting monthly environmental audits. Ensuring the establishment, implementation, and maintenance of an integrated system encompassing ISO 9001, ISO 14001, and OHSAS 18001. Compiling relevant EHS reports for management review. Performing quarterly audits of environmental and energy management systems. Providing compliance training and orientation to new employees in newly operational areas. Facilitating monthly and quarterly performance reviews for factories and updating compliance reports for management and brands.

The Successful Applicant

Relevant Work Experience: Possess at least 1 year of proven experience in Environmental Health and Safety (EHS) and sustainability development, auditing in the local context of Indonesia. Preferably in fashion manufacturing industry.

Knowledge of Local Regulations: Familiarity with local Indonesian legal requirements, including labor laws, fire safety regulations, and environmental standards and sustainability practices.

Language Proficiency: Fluent in English and Bahasa Indonesian, facilitating effective communication with both internal teams and local stakeholders.

Strong Communication and Collaboration Skills: Exhibit excellent

communication and collaboration skills to work effectively with diverse teams, both within the organization and with external partners. This position offers a unique opportunity to contribute to the EHS, sustainability and compliance efforts of an international luxury product manufacturer while ensuring the well-being of the workforce and adherence to local regulations in Indonesia. What's on Offer Our client is expanding extensively, there is great career development opportunity to lead and grow a team.
