

Executive Pastry Chef | AYANA BALI

[Apply Now](#)

Company: AYANA Hospitality

Location: Indonesia

Category: other-general

Join our team and be part of the continued success of Bali's largest integrated resort.

We offer an exciting career opportunity for an individual with the following details:

Summary of Responsibilities:

Prepare all dishes following recipes and yield guides, according to standards and assign production and preparation work for all staff to complete, and review priorities.

Interact with customers and review guest feedback periodically.

Minimize waste and maintain controls to attain forecasted and maintain the food cost within the budgeted range.

Take physical inventory of specified food items for daily inventory and production charts according to department standards.

Meet with the Executive Chef to review schedules, assignments, anticipated business levels, changes, and other information pertinent to the job performance.

Review financials periodically to ensure we meet or exceed all departmental revenue goals by maximizing all opportunities.

Communicate additions or changes to the assignments as they arise throughout the shift. Identify situations that compromise the department's standards and delegate these tasks.

Ensure that restaurant Service Staff are informed of menu items served and the amount available for the meal period and functions.

Monitor the performance of staff and ensure all procedures are completed to the department standards; rectify deficiencies with respective personnel.

Requisition the day's supplies and ensure that they are received and stored correctly. Communicate needs with Purchasing and Storeroom personnel. Ensure the quality of products received.

Meet with the Executive Steward to review equipment needs, banquet plate-up assistance, cleaning schedule/project status, health/safety, and sanitation follow-up.

Participate and contribute to the resort sustainability program through education, interaction, and suggestion.

Requirements

Minimum of 5 years of solid experience in pastry and minimum 2 years experience in management level in a high volume business of a large resort.

Has a proven track of delivering passion and innovation in creating high-level quality pastries that are special and fresh, which is sustainable, and recognized in the market.

Has a strong sense of competition in the business, wants to win attitude, and is ahead with the trend.

Has strong leadership skills with an acute sense of good judgment and swift performance improvement. Can thrive in a high-pressure environment and has a strong operational strategy that is timely.

Has in-depth knowledge of food safety principles and best practices, HACCP certification is desirable.

Has a deep understanding of the profit & loss goals, is proficient in performing regular menu engineering and maintains an up-to-date market list.
