

## Functional Consultants

[Apply Now](#)

Company: ElysianNxt

Location: Indonesia

Category: other-general

ElysianNxt Indonesia is looking for Functional Consultants to join our growing APAC Professional Services team in Jakarta, Indonesia. We seek highly motivated individuals with excellent problem-solving skills and the ability to prioritize shifting workloads in the rapidly changing Fintech industry where as Functional Consultant you will be required to translate business into technology. As a consultant, you will also become part of our Consultants Academy Program. This program consists of a community of multinational & multi-cultural associate consultants who are given international challenging opportunities. The program will guide and assist you with training and mentorship from dedicated senior consultants. These mentors will provide the related guidance to make you well-prepared for the unexpected situations you might encounter domestic or abroad. Our mission is to develop you by empowering, mentoring, and enabling you to build and learn across a variety of parts across the Elysian organization.

**Responsibilities**

- Work on project-based implementation at the client's site or offsite
- Assist the senior consultants in defining and analysing the client's requirement, translate the client's requirement into functional requirement specifications, implement and test our solution
- Implementation of the product will be done by following the Agile manifesto. You will report to the project lead you are assigned to
- Deliver input to the project lead regarding all project related items for your area (e.g. planning, progress, deliverables, risk & issue, etc.)
- Work closely together with the senior consultants and give support during trainings in order to guarantee a smooth handover of the implemented software modules
- Participate in the Academy Program with your mentor
- Prompt to be assigned working in Jakarta or internationally

**Qualifications**

- Indonesian nationality is preferred
- Bachelor degree in

Finance, Economic, Accounting, Banking, Business Administration, Statistics or any other related field  
Working experience of 0-5 years  
Good command of English  
Able to work independently as well as being a good team player  
Positive thinking, being proactive, highly motivated and well organized  
Personality  
Team-player, proactive and hungry to learn  
Problem-solving abilities and ability to meet reasonable deadlines  
Ability to adapt quickly to changing requirements, deadlines, and priorities  
Good communication and interpersonal skills  
International environment and opportunities to go abroad  
Five-day working week  
Broken-heart leave  
15 days annual leave + 1 extra day per year seniority up to a maximum of 5 additional days  
Health insurance (including immediate family members)  
Annual bonus  
Annual company outing  
Only English resumes will be considered  
Interested candidates are invited to submit their resume and expected salary to us by clicking the Apply Now button above or  
By emailing: [recruitment@elysiannxt.com](mailto:recruitment@elysiannxt.com) Brussels Jakarta
