### The Role

Search Engine Evaluator for AI Models | Indonesian language and English | Remote, Part Time, Work from Home

**Work Location:** remote, work from home

**Work Schedule:** part-time, flexible schedule

**Compensation:** Fixed 4 USD per hour

**Start Date:** Nov 2023, Dec 2023, & Jan 2024

**Experience:** no prior experience is required

**Language Requirements:** fluent in English and Indonesian language

**Project Duration:** intermittent

### **Does this sound like you?**

Are you a search engine guru and love to find things using just a few keywords? Are you interested in helping to improve the reliability of today's AI models? If yes, then this opportunity is for you!

### **Your responsibilities will include:**

To assess and provide feedback on text, audio, image, or video search results based on specific search queries.

The goal of the project is to help to understand people's intentions to better train online search engines and do so by providing ratings for the project.

### **Ideal Profile**

#### **Equipment you'll need**

High-speed and reliable internet connection (cable modem, DSL, etc.)

A smartphone and a personal computer running the latest version of Google Chrome

State-of-the-art antivirus software to protect your computer as you surf the web

Windows or Mac OS X operating system

Fluent in English to be able to follow instructions and guidelines

Native-level fluency of the Indonesian language in order to effectively liaise with the Stakeholders of the region.

Ability to continually maintain quality and accuracy requirements throughout the project

Ability to work in a fast-paced environment

Strong understanding of popular culture in your locale

Web-savvy and an expert in search

Responsible, reliable, and communicative

Only one person per household can participate in this project

### **What's on Offer?**

Flexible working options

Great work culture

A role that offers a breadth of learning opportunities
