Technical Sales Internship Opportunity at ZeroX, an Ex Venture Inc. Portfolio Company + Hirgin now!industry

Location: Canggu, Bali, Indonesia

Duration: 6 months, unpaid with a lucrative commission structure

### **Company Overview:**

ZeroX, a prominent portfolio company of Ex Venture Inc., is spearheading the revolution in waste-to-energy technologies. With the groundbreaking X150 machine, we're transforming waste management and energy production to address some of the most pressing environmental challenges today.

**Position:** Technical Sales Intern

### **Role Description:**

We're seeking an ambitious and self-motivated individual with a technical background to join our sales team. This role is an unparalleled opportunity to contribute to the global expansion of the X150 machine, working alongside a team of engineers and professionals dedicated to making a significant impact in the waste-to-energy, biomass, and rural electrification sectors.

## **Responsibilities:**

- Engage with potential clients and partners to introduce the X150 machine and its benefits.
- Understand the technical aspects of our products to effectively communicate their value and applications to clients.
- Collaborate with the engineering team to gather detailed product knowledge and sales strategies.
- Help in identifying new markets and opportunities for the X150 machine.
- Work towards sales targets with the opportunity to earn commissions on successful deals.

## **Who We Are Looking For:**

- Individuals with a technical background, ideally in engineering, environmental technology, or related fields.
- Highly self-motivated and proactive candidates with a passion for sustainable technology and environmental solutions.
- Excellent communication and interpersonal skills, with the ability to engage effectively with a global clientele.
- Team players who thrive in a collaborative environment and are eager to contribute to a project with the potential to change the world.

## **What We Offer:**

- An incredible chance to be part of a project that's at the forefront of sustainable energy solutions.
- Direct involvement in bringing a cutting-edge product to global markets, dealing with some of the leading companies worldwide.
- A vibrant work environment in the beautiful locale of Canggu, Bali.
- Significant potential for a long-term position following a successful internship period.

## **How to Apply:**

If you're ready to take on this challenge and make a tangible impact on the future of sustainable energy, we'd love to hear from you. Please send your resume and a cover letter

explaining why you're interested in the Technical Sales position at ZeroX and how your background makes you a perfect fit for this role.

Send your application with Technical Sales Internship Application as the subject.
