

## Warehouse & Logistic Section Head

[Apply Now](#)

Company: PT Antang Gunung Meratus

Location: Indonesia

Category: other-general

PT Baramulti Suksessarana Tbk (Company) was incorporated in 1990 and started its operations in coal trading activities. In 2011, the company began to produce its own coal in the Production Operation Mining Permit (IUP OP) area, namely at Loa Janan, Kutai Kartanegara, East Kalimantan.

The Company then entered into a strategic partnership with The Tata Power Limited, the largest integrated power company in India, in the following year, 2012. This year also marked the Company's move to conduct its initial public offering at the Indonesia Stock Exchange with ticker code BSSR.

Our subsidiaries, PT Antang Gunung Meratus (AGM) owns coal Mining Business Permit based on Coal Mining Contract of Work (CCOW) 2nd generation with Mining areas of 22.433 Ha at Tapin, South Kalimantan. AGM started its production in 1999.
